Experience

Web Developer
Revolancer
Aug 2023 - Present (2 months)
1. Project Development Leadership: Demonstrated leadership in conceptualizing, designing, and developing two distinct projects - "Dragon Repeller," a captivating word game, and a responsive "Movie Ticket Booking Website."

2. Enhanced User Engagement: Achieved remarkable results by increasing user engagement. "Dragon Repeller" saw a 25% boost in active players, while the movie ticket booking website provided a seamless booking experience for users.

3. Technological Expertise: Utilized a range of innovative technologies, including HTML, CSS, and JavaScript, to ensure the seamless functionality of both projects, delivering exceptional user experiences.

4. Published Author: Actively contributed to knowledge-sharing on Revolancer by publishing articles on various tech-related topics. These articles garnered an impressive average of 1,000 views per publication, enriching the platform's content.

Web Developer
Accent Techno Soft
Jun 2022 - Jul 2022 (2 months)
1. Developed responsive and user-friendly websites using HTML, CSS, and JavaScript, resulting in a 30% increase in user engagement.

2. Collaborated with cross-functional teams to conceptualize and implement new website features, leading to a 20% improvement in user experience.

3. Led a project to optimize website performance, reducing page load times by 25% and enhancing overall site efficiency.

4. Drove the implementation of SEO best practices, resulting in a 15% increase in organic website traffic and higher search engine rankings.
